

Knitted net bags

As market leader for the supply of this commonly used type of packaging, NNZ can offer the widest possible range of sizes, colours, and specifications to meet all customers' needs. Knitted bags are supplied on rolls or as single bags,

with or without drawstring, L-sewn or fully knitted, plain or printed on one or both sides, continuous or position printed, with or without handle... Just say how you want the product, as more often than not NNZ will be able to supply it.

Knitted net bags

Single bags

Type

Can be supplied in a wide range of standard sizes. Bags with and without drawstring for packed weight from 1 kg to 50 kg. Mini label, continuous printed on one or both sides. Maxi label, continuous or position printed on one or both sides. With printed polytag. With or without handle.

Bags on rolls

Type

On rolls in a range of standard sizes. For automatic packing weights from 1.5 kg to 25 kg. Mini label, continuous printed on one or both sides. Maxi label, position or continuous printed on one side. Maxi label, continuous printed on both sides. With or without handle.

The following applies to both single bags and bags on rolls:

Material

Polyethylene knitted fabric (raschel).

Quality

Various fabric weights and mesh sizes.

Colours

Many different colours, also possible in two colours.

NNZ is a leading organisation in the world of innovative packaging for the agricultural sector. The company undertakes intensive market and product research and continually anticipates market developments.
